

Summary of the Double-Counting Rules for Majors and Minors in WCAS. This table shows rules from the 2012-13 Undergraduate Catalog; other rules may apply for other years.

* As a general rule, WCAS *distribution requirement courses* may double-count with a WCAS major's "department/program" courses and related courses as well as with courses used to fulfill the requirements of a minor in WCAS.
 * **Related courses** for a WCAS major may double-count with another WCAS major's "department/program" or related courses and/or with courses required for a WCAS minor.
 * In general, **department/program courses for a major may not be double-counted toward a minor**, but a few minors are exceptions to this rule. Please refer to the bottom of this table for a list of minors allowing double counting.
 * A course cannot double-count toward requirements for two WCAS minors.
