Forms are available in the Office of the Registrar or at school offices. Engineering students should apply at the Engineering Academic Services Office (TCH L269).
- **Addresses** – It is each student's responsibility to ensure that their addresses on record are complete and accurate. Students may view and modify billing, current and permanent addresses through CAESAR.
- **New Undergraduate Transfer Students** who do not have an active netid must see a degree auditor in the Office of the Registrar after meeting with their advisor.
- **Quarterly Grade Reports** are not mailed, but are delivered through CAESAR. A printout of the CAESAR record may be made for the purpose of verification.
- **Room Assignments and class offerings may change after the publication of the class schedule. Please review your room assignments online before the first day of classes.**

Please check CAESAR for the most up-to-date information.**

WINTER FINAL EXAMINATION SCHEDULE

- Students must arrange their class schedule to avoid conflicts, and must not register for classes which result in two examinations at the same time. Additionally, students should not register for courses that result in three examinations on one day.
Anyone registering for such a program will be expected to take the examinations as scheduled.
- Examinations will be held in the room where the lecture section of the class regularly meets unless otherwise announced. If the class meets in different rooms at different times, the room used by the earliest class meeting in the week determines the exam room.
- Evening courses (courses beginning at 6 PM and later) have two-hour examinations on the first regularly scheduled meeting time during final exam week in the regularly scheduled room, unless otherwise announced.
- Final examinations for classes not included in the schedule will be arranged by the instructor before the end of the second week of class.
- No extensions of the lunch hour can be made in the residence halls. Students should arrange for lunch.

The following courses have examinations out of their normal sequence. Most are departmental examinations, or the exam has been moved. The instructors will announce room assignments for these examinations.

To determine date and time of examination, the hour and days of the class *lecture* should be used. For example, a course scheduled during the quarter at 2:00 PM on M.W.F. will have its examination on Tuesday, March 16 at 9a.m. If a course meets for a two-hour period, the time of the examination is determined by the first hour. If a course meets at different times on different days, the exam time is determined by the earliest class meeting in the week.

The M.W.F. category includes the following sequences:

M.	M.T.W.TH.F.	M.T.F.	M.W.F.	M.F.	W.S.
M.T.	M.T.W.F.	M.W.	M.W.F.S.	W.	F.
M.T.W.	M.T.TH.	M.W.TH.	M.TH.	W.TH.	
M.T.W.TH.	M.T.TH.F.	M.W.TH.F.	M.TH.F.	W.F.	

The T.TH. category includes the following sequences:

T.	T.W.TH.	T.W.F.	T.TH.F.	T.F.	TH.F.
T.W.	T.W.TH.F.	T.TH.	T.TH.S.	TH.	

Understanding Your Registration Appointment Time

What is the policy?

Undergraduate appointment times are based on the **number of completed quarters** at Northwestern.

Pre-registration and registration periods will be assigned as follows:

- Students with **8 or more** completed quarters will register in the **first group***
- Students with **5 to 7** completed quarters will register in the **second group**
- Students with **2 to 4** quarters will register in the **third group**
- Students with **0 or 1** completed quarter will register in the **fourth group**

See below for a description of how student ID's are assigned to each registration group.

What is a "completed quarter"?

For students who began at Northwestern as freshmen:

A Fall, Winter or Spring quarter in which you earned one or more credits or a Summer quarter in which you earned at least three credits. Term-long enrollment in either affiliated or unaffiliated study abroad is considered a "completed quarter." Enrollment in the current term is not counted.

For students who transferred to Northwestern:

Calculate your total number of completed quarters by dividing your number of transfer credits by 4 and rounding up to the nearest whole number. That number, plus the number of quarters completed at Northwestern (computed in the same way as the above group of students), is your total number of completed quarters.

Special Note: All incoming students enroll on the same day during Fall new student orientation. Transfer status is reflected in your registration appointment beginning with Winter quarter registration.

* What if I'm graduating in the next three quarters?

If you have completed fewer than eight quarters but will complete your degree requirements in three or fewer quarters, and you have submitted a petition to graduate by the petition deadline you will register in the first group. This allowance was made so that students prepared to graduate early have the opportunity to enroll in classes they need to fulfill remaining requirements.

Students must petition to graduate by the Inter-School Transfer deadline so the Office of the Registrar has time to calculate and input students' information in CAESAR. The Inter-School Transfer deadline is Wednesday of the fifth week of the quarter and one week before registration appointments are published in CAESAR.

How Are the Student ID's rotated within the Registration Groups?

Within the groups appointment times are assigned by the last two digits of the student ID and rotated systematically throughout each academic year based generally on the following principles:

1. There are 100 combinations of the last two digits of student ID numbers, 00 through 99.
2. These 100 combinations are divided into thirds, designated below as **A**, **B**, and **C**.
3. The groups of student ID's within each third are rotated over four years of quarterly registrations.
4. The student ID's are rotated within each third quarterly.

	Group 4			Group 3			Group 2			Group 1		
	Fall	Winter	Spring	Fall	Winter	Spring	Fall	Winter	Spring	Fall	Winter	Spring

P/N REGULATIONS

GENERAL REGULATIONS

- The P/N option is only available to full time students
- Classes are open to P/N if the grading basis, listed in the class detail section of the class on CAESAR, is "Student Option" (abbreviated OPT). Occasionally, a "No P/N" note may be added to classes for emphasis only.
- Students planning to register for the P/N option should do so when initially registering for the course. For instructions on selecting the P/N option, please see "Instructions on using CAESAR" at <http://www.northwestern.edu/caesar>. If the P/N option is not selected at this time students may change their grading option on CAESAR using the "Update" function or submit a P/N form at the Office of the Registrar. Additional rules apply to classes in the School of Engineering and Applied Science. Please see below.
- Not more than one class may be taken in any quarter under the P/N option (except as noted below in "Additional Regulations of the Individual Schools").
- All prerequisites must be met before a class can be taken P/N.
- The P/N option may be used only for general education classes and/or unrestricted electives.
- **NEW: P/N option may not be used for any of the first and second year language classes in French, German, Spanish or Italian. Contact your school for rules governing the use of the P/N option and the language requirement.**
