FALL 2012 FINAL EXAM SCHEDULE

STUDENTS
- Build your class schedule to avoid exam conflicts.
- Do not register for courses that result in having three (3) or more exams in one (1) day*.
- No extensions of the lunch hours can be made in residence halls.
  *Anyone registered for courses resulting in three exams in one day is expected to take the exams as scheduled.

ROOM ASSIGNMENTS AND EXAM TIMES
- Exams will be held in the room where the lecture section of the class regularly meets unless otherwise announced.
- If the class meets in different rooms at different times, the room used by the earliest class meeting in the week determines the exam room.
- Instructors are responsible for indicating their exam schedule on the course syllabi.

EVENING COURSES (Courses beginning at 5 PM and later)
- Two-hour exams are held on the first regularly scheduled meeting time during final exam week in the regularly scheduled room, unless otherwise announced.

READING THE EXAM SCHEDULE (See below for more information)
- To determine date and time of exams, the hour and days of the class lecture should be used.
- Courses beginning on the half-hour should follow the schedule for the previous hour.
