SPRING 2013 FINAL EXAM SCHEDULE

STUDENTS
- Build your class schedule to avoid exam conflicts.
- Do not register for courses that result in having three (3) or more exams in one (1) day*
- No extensions of the lunch hours can be made in residence halls.
  *Anyone registered for courses resulting in three or more exams in one day is expected to take the exams as scheduled.

ROOM ASSIGNMENTS, EXAM TIMES & INSTRUCTOR RESPONSIBILITY
- Exams will be held in the room where the lecture section of the class regularly meets.
- If the class meets in different rooms at different times, the room used by the earliest class meeting in the week determines the exam room.
- Instructors are responsible for indicating their exam schedule on the course syllabi.

EVENING and 2+ Hour Classes (Courses beginning at 5 PM and later)
- Two-hour exams are held on the first regularly scheduled meeting time during final exam week in the regularly scheduled room, unless otherwise announced.

READING THE EXAM SCHEDULE – See below for exam block information
- To determine date and time of exams, the hour and days of the class lecture should be used.
- Courses beginning on the half-hour should follow the schedule for the previous hour.

The following courses have exams out of their normal sequence and are common exams.
All sections will have their exam in the given period and instructors will announce room assignments.
