Double-Counting Guide for Majors and Minors in WCAS

This table shows rules from the 2024-2025 Undergraduate Catalog. Other rules may apply for other years.

- * Courses used to fulfill WCAS Distribution or Foundational Discipline requirements may double-count toward a WCAS major or minor.
- * Related Courses for a WCAS major may double-count with another WCAS major and/or with courses required for a WCAS minor.
- * In general, department/program courses for a major may not be double-counted toward a minor, but a few minors are exceptions to this rule. Please refer to the bottom of this table for a list of minors allowing double counting.
- * A course cannot double-count toward requirements for two WCAS minors.
- * For additional details, see the University Catalog.
