

2026 Fall WCAS Requirements

This listing reflects class information as of September 1, 2026; please verify offerings on CAESAR. Students following pre-2023 requirements should refer to the WCAS Distribution Requirements document, rather than this one. Direct any questions regarding fulfillment of distribution requirement credit to the WCAS Office of Undergraduate Studies and Advising: <https://weinberg.northwestern.edu/undergraduate/advising/index.html>

Special Notes for Foundational Discipline Classes

A class may not be counted towards more than one foundational area at the same time; if a class appears on more than one foundational area list on this document then the student may determine in which area to apply the credit.

Courses completed with grades of P cannot be used for most degree requirements. For foundational disciplines the maximum is two units, each in a different foundational area and subject to additional limitations, so plan carefully if you sign up for a foundational discipline course under P/N grading.

For more information see the Undergraduate Academic Catalog (<https://www.registrar.northwestern.edu/registration-graduation/undergraduate-catalog.html>) and the Weinberg College website (<https://weinberg.northwestern.edu/index.html>).
