2027 Winter WCAS Requirements

This listing reflects class information as of November 2, 2026; please verify offerings on CAESAR. **Students following pre-2023 requirements should refer to the WCAS Distribution Requirements document, rather than this one**. Direct any questions regarding fulfillment of distribution requirement credit to the WCAS Office of Undergraduate Studies and Advising: https://weinberg.northwestern.edu/undergraduate/advising/index.html

Special Notes for Foundational Discipline Classes

A class may not be counted towards more than one foundational area at the same time; if a class appears on more than one foundational area list on this document then the student may determine in which area to apply the credit.

Courses completed with grades of P cannot be used for most degree requirements. For foundational disciplines the maximum is two units, each in a different foundational area and subject to additional limitations, so plan carefully if you sign up for a foundational discipline course under P/N grading.

For more information see the Undergraduate Academic Catalog (https://www.registrar.northwestern.edu/registration-graduation/undergraduate-catalog.html) and the Weinberg College website (https://weinberg.northwestern.edu/index.html).

(FD) Empirical and Deductive Reasoning
